

VioletTech Solutions supports employee development. Study leave is available to employees pursuing qualifications relevant to their role or the broader business.

1. Entitlement

Eligible employees are entitled to 5 days of paid study leave per leave cycle for the purposes of writing examinations or attending mandatory study sessions.

- Study leave is granted for examinations only — not for general study or assignment preparation.
- One day of study leave per examination paper is permitted.
- Study leave does not carry over to the next leave cycle.
- Study leave is in addition to annual leave entitlements.

2. Eligibility Criteria

- The qualification being studied must be relevant to the employee's role or career path.
- The employee must be enrolled at a recognised institution (university, TVET college, SETA).
- The employee must have completed at least 12 months of service.
- Prior written approval from the line manager and HR is required.

3. Required Documentation

- Proof of enrollment from the institution.
- Examination timetable showing dates and subjects.
- Results of the previous examination (if rewriting).
- Supporting document must be uploaded in the LMS app at the time of application.

4. Application Process

- Submit a study leave request via the LMS app at least 5 working days before the examination.
 - Upload the required documentation in the app.
 - Manager approval is required within 48 hours.
 - Results must be submitted to HR within 30 days of receiving them.
 - Repeated failures may result in future study leave applications being declined.
